From Highway 169:

- Traveling on Hwy. 169, take the Valley View Road exit
- At the top of the exit, go west (if traveling from the south, turn left; if traveling from the north, turn right)
- Take the first right on Washington Avenue and drive straight ahead
- Follow Washington Avenue for approximately one mile
- As Washington Avenue curves left (turning into Flying Cloud Drive), take an immediate sharp right up a steep driveway. The big sign says "SCM/DerivActiv."
- Park anywhere in the lot and go into the door with the red awning. As you come into the atrium, our office is in the left corner of the first floor, Suite 170.

From Highway 212:

- Traveling on Hwy. 212, take the Shady Oak Road exit
- At the top of the exit, go east (if traveling from the south, turn right; if traveling from the north, turn left)
- Immediately get in the left lane; turn left on Flying Cloud Drive
- Travel a short distance on Flying Cloud Drive; up ahead on the left you'll see a steep driveway going up a hill (before the road turns south). Veer left and go up the driveway. The big sign says "SCM/DerivActiv."
- Park anywhere in the lot and go into the door with the red awning. As you come into the atrium, our office is in the left corner of the first floor, Suite 170
